| Other: Banking institutions | € 5.200,00 |
| Other: Universities | € 2.600,00 |

*contribution amount per 1-1-2026

As part of your membership, a custom company page will be created on the Energy Storage NL website. Management of the page is in the hands of the participant. Please fill in the required details below:

| Company page website ESNL | |
|-----------------------------------|--|
| Name contact person on page | |
| Email address contact person | |
| Email address for login purposes* | |

**Note: It may be convenient to use a general email address for logging into the company page. This will then also allow multiple people within a company to log in for special member news releases.*

It may occur that within an organization there are multiple relevant contact persons (such as HR, F&C, etc.) who can be added to the ESNL CRM database. If this is the case, the option below allows you to register additional contact persons; they will then be immediately added to the newsletter mailing list.

| Aanvullende contactpersonen tbv ESNL activiteiten/uitnodigingen | |

Conditions attached to participation to Energy Storage NL (ESNL)

- ESNL reserves the right to validate and/or refuse participation of any applicant organization.
- The participant pays an annual participation fee (from January to December).
- Participant contributions must be paid within 30 days of invoice date.
- Participant agrees to compulsorily report the number of employees at the organization to ESNL every year.
- By registering, the participant agrees to these terms and conditions.
- Upon registration, the number of remaining calendar months of the current year will be charged pro rata.
- Participant agrees to publish his company details on the ESNL website.
- Notice of termination must be given in writing to ESNL at least 2 months before the end of the calendar year.
- Participants who become members of the overarching entrepreneur organization FME in addition to ESNL will receive a 50% discount on the FME rate in the first year.
- For consultancy firms, the condition is that they must be members of ESNL for three consecutive years.
